

# Homoeopathy: Some Things Are Not What They Seem

<b>MIGRAINE</b> REMEDY RESONANCE www.ilovehomoeopathy.com	
<b>belladonna</b> This remedy is specially indicated in attacks accompanied by heat and redness of the face. It acts best on the right side, and when the pain is aggravated by light, heat and motion, particularly stooping.	
<b>sanguinaria</b> When the pains begin in the morning, increase during the day, and last till evening; when the head seems to feel that it must burst, or as if the eyes must be pressed out. More Severe on the right side, followed by chills, nausea, vomiting of food or bile, forcing the patient to lie down and preserve the greatest quiet, as every motion aggravates the sufferings, which are only relieved by sleep."	
<b>gelsemium</b> Dimness of sight or double vision, or with great sensitiveness to all sounds, will be promptly relieved by it.	<b>iris</b> Headaches beginning with a blur before the eyes, of a dull, heavy, throbbing character, accompanied with nausea and vomiting, and great depression of spirits.
<b>bromium</b> Neuralgic headache, with pain over the left eye; darting pains through the left eye, with throbbing in the left eyelid, extending to the eyebrows, forehead and temple.	<b>cyclamen</b> Violent left-sided headache, heat and throbbing in the head, glittering before the eyes, vision obscured, aggravated by motion, especially stooping, and in the afternoon and evening.

Where did homoeopathy come from? Does it really work? Are there any consequences? These questions are answered clearly, and the text has been checked.
